

Hallo I'm Yesangga

Thank you for purchasing my graphic product

Aesthetic Canva Template

An Instagram Feed Templates for canva.

All items in this pack are optimised to be user friendly and easily editable. In order to edit any of these files you will need Canva Desktop App.

ACCESS FILES: <https://bit.ly/canva-aesthetic>

This pack includes 5 Instagram story templates. Changing text, images and colors is quite straightforward so you shouldn't have any issues with that. You will of course need basic Canva knowledge, but if you have any additional questions, just message me and I'll be more than happy to help!

CANVA - HOW TO USE INFO:

1. Edit Text

Start customizing your chosen template by editing the text. To do so, click on the text box you wish to edit its content. You can type in new text or delete existing content on your keyboard. You can also paste in text content from other sources like Word documents or websites.

Learn more here:

<https://support.canva.com/getting-started/design-canva/edit-text/>

2. Edit Images

Just like with text, you can also format photos or illustrations. Clicking on any of these elements will also make the editor toolbar appear.

Lear more here :

<https://support.canva.com/getting-started/design-canva/add-photos-or-illustrations/>

3. Save Your Files

Canva will save your files as 5 different png or JPG files that are ready to post on your instagram as soon as you transfer them to your phone!

4. Transfer your images to your phone and publish them on Instagram.

If you have any questions or doubts about this pack, feel free to leave us a comment or send a message. You can also reach us via our email - angga@yesangga.com
